LinkedIn: [linkedin.com/in/mohammed-ehthishamul-haq-a/](https://www.linkedin.com/in/mohammed-ehthishamul-haq-a/) | Portfolio: <https://ehthishamportfolio.vercel.app>

PROFESSIONAL SUMMARY

Aspiring Data Scientist and B.Tech Artificial Intelligence & Data Science student with knowledge of Python, Data Analytics, Machine Learning fundamentals, and Web Development. Passionate about solving real-world problems through data-driven insights and intelligent solutions. Eager to apply technical skills, gain hands-on industry experience, and contribute to innovative projects in AI and Data Science.

EDUCATION

B.Tech in Artificial Intelligence & Data Science | 2024 – 2028 (Graduation Expected - 2028)
C. Abdul Hakeem College of Engineering and Technology — Melvisharam, Tamil Nadu, India
Affiliated to Anna University ,Chennai | Currently pursuing 3rd Year

TECHNICAL SKILLS

Programming Languages: Python (basic), JavaScript (basic), HTML, CSS

Data Visualization: Seaborn (basic), Matplotlib

Core Concepts: Data Analysis, Statistical Analysis, Machine Learning (Fundamentals), Exploratory Data Analysis (EDA), Data Cleaning, Web Development Basics

PERSONAL WORK

Personal Portfolio Website | ehthishamportfolio.vercel.app

- Designed and developed a responsive personal portfolio website to showcase projects, skills, and academic achievements.
- Built using HTML5, CSS3, JavaScript, Vite, and Node.js, incorporating modern UI/UX principles, animations, dark/light mode, and interactive user experiences.
- Implemented advanced frontend features including Canvas API animations, Intersection Observer-based scroll effects, custom cursor interaction

Local LLM Fine-Tuning |

- Customized and experimented with locally hosted Large Language Models (LLMs) using Ollama and open-source AI models.
- Prepared and structured training datasets to improve model responses for specific use cases and conversational behavior.
- Configured model personalities, system prompts, and domain-specific knowledge to enhance performance and user interaction.
- Gained hands-on experience with LLM deployment, prompt engineering, model evaluation, and local AI development workflows.

CORE COMPETENCIES

Problem Solving | Critical Thinking | Logical Reasoning | Fast Learner | Self-Motivated | Effective Communication

LANGUAGES

English | Urdu | Tamil | Hindi |

CAREER OBJECTIVE

To secure a challenging internship in Data Science or Data Analytics where I can apply my knowledge of Python, data visualization, and analytical thinking to contribute to real-world data-driven projects, while continuing to grow as an AI & Data Science professional.
